Re- agreement form which initiate our legal instrument.

Dear Abase,

I have read the legal clause and signed the agreement form which you attached with your letter and I announce my permission for the agreement which is supposed to begin on 8 April and will end on 9 December. I also understand that breaking of any clause will be directed straight in court for legal action. Please accept the letter to initiate our agreement about (Software product). Please find the signature form which is enclosed within the letter. I also maintained this document as a legal instrument. Hope we'll have good relations as the agreement member. Thank you.

Warm regards,

Muhammad Fahad
